MAT Requirements for Immunizations, Background Check and Drug Screen

You must provide documentation that all requirements outlined below have been completed.

Immunizations

**Tuberculosis screening requirement.** One of the following is required within six months of the internship start date:

(a) One (1) QuantiFERON Gold with negative result.
(b) One (1) T-Spot blood test with negative result.
(c) Two (2) separate 2-step TST (two separate Tuberculin Skin Tests, aka PPD tests). This test can be performed within 10 days of each other, but no later than twelve months. The last TST should be completed no later than six months prior to the internship start date. Results may be similar to these shown below:

If previously positive to any TB test, you must complete a symptom questionnaire and have a chest x-ray read by a radiologist with a normal result. If chest x-ray is abnormal, you must be cleared by your physician or local health department before beginning your internship assignment.

**Measles (Rubeola), Mumps and Rubella requirement.** One of the following is required:

(a) Proof of two (2) MMR vaccinations.
(b) Proof of immunity to Measles (Rubeola), Mumps, Rubella through a blood test.

**Hepatitis B.** One of the following should be performed:

(a) Documentation of three (3) Hepatitis B vaccinations and blood test with “Reactive” result.
(b) Documentation of three (3) Hepatitis B vaccinations given more than 8 weeks prior to start date with no documented blood test results (no blood test is required, but a baseline titer should be run immediately if the person has a significant exposure to blood or body fluids).
(c) Blood test with “Reactive” result.
(d) Documentation of six (6) Hepatitis B vaccinations with blood test result of “Not Reactive” (this person is considered a “Non-Responder”).

**Varicella (Chickenpox) requirement.** One of the following is required:

(a) Proof of two (2) Varicella vaccinations.
(b) Proof of immunity to Varicella through a blood test.

**Tdap requirement.** Proof of one (1) Tdap vaccination after age 10.

**Flu Vaccination requirement.** Proof of current, annual influenza vaccination.

*Personal or parental recollections are not acceptable forms of proof of immunity.

**Passed a criminal background check** and is not listed on the sex offender website or any successor website hereto.

**Passed a standard SAM 5 urine drug screen.** A positive drug screen result must be reviewed and cleared by a medical review officer (MRO).
