Other Financial Aid through the BYU School of Social Work

Graduate Assistantships

There are a limited number of teaching assistantships and research assistantships awarded each year, mostly to first year students. Students are required to work approximately five or more hours per week (up to 70 hours per semester) and are compensated on an hourly basis, with the potential to earn approximately \$1,120 per semester. The research assistantships are open to all graduate students in the School but a demonstrated interest in research is useful. The intensity of the applicant's financial need is taken into account in awarding all assistantships. Newly admitted MSW students will be sent the Graduate Assistant application.

Paid Fieldwork Placements

The potential for paid fieldwork placements becomes available to all MSW students during their third semester, Spring term, when fieldwork begins. These paid placements are typically made available to all students who need and desire them. The compensation averages about \$4500 for the Spring/Summer terms and an additional \$6000 for Fall and Winter Semesters combined. The availability of paid placements changes from year to year and depends on the current operating budget of internship agencies. The selection of students for placement in a given agency is dependent on a number of variables including the student's interests and career goals, the agency's preference for particular students, and the Director of Field Education's assessment of individualized educational needs.

AmeriCorps Education Awards

Currently, education awards are available to students who are US Citizens, intern at a non-profit agency and serve more than 450 hours (spring/summer terms for approx. \$1527) and/or 675 hours (fall/winter semesters for approx. \$2221).
