(808) 675-3540 | housingoperations@byuh.edu | FM 110

Effective January 1, 2019 waitlists are available for homes according to the number of bedrooms desired. Employees can only be on one list at a time. Current employees can add their name to the waitlist at any time. New employees can add their name on the date they accept the job offer. Waitlists are prioritized by request and acceptance dates. When an employee is offered a home and chooses to reject the offer, the employee will need to reapply and will be added to the bottom of the waitlist.
