Neylan McBaine, CEO of Better Days 2020, will give the Durham Lecture on
February 13, 2020 at 11am in 250 KMBL*

Many academic units are planning events related to women's suffrage and advancement throughout the year. We are compiling an online calendar of these events to aid in advertising them. If you are planning something relevant and would like it to be included on the calendar and/or use the logo on your advertising materials, email the BYU Women's Suffrage Anniversary Committee at

WomensSuffrage@byu.edu.
