Maximizing Digital Student Engagement on BYU Handshake

You will need a Handshake account. To create an account, go to handshake.byu.edu.

If you already have a Handshake account, but not a completed profile, please use these tips to help you.

- Add your job interests to your profile.
  - 80% of students who share their interests receive a message from a recruiter!
  - Handshake will send you job recommendations.
- ‘Your Interests’ section of your Handshake profile includes:
  - Job Type
  - Location: Choose cities that you’d like to live and work in.
  - Job Role: Select at least 3 job roles that interest you.

Select CURRENT STUDENT.

Complete DUO sign-in.

Follow the prompts to complete your profile.

If you add your resume, it will auto complete some information.

You can also filter your searches based on your area of interest.
2. **Attend Virtual Information Sessions**

1. Click on **Events** from the top options.

2. Click on **Search Events**.
3. Go to **Filters** on the right-hand side.

4. Then see all possible Virtual Information Sessions.
Schedule a Virtual Interview

1. First, apply for the job you are wanting.
2. Then open **Jobs** tab.
3. After you have applied, click on **On-Campus Interviews**.
4. Search for the job you applied for in the **Filters** search bar on the left-hand side.
5. Click on the job. Reserve your time slot for your interview. Make sure you have attached your resume.
Learn from your peers.

1. Explore Student Q&As

See questions and answers from other students. You can filter topics and see answers to specific questions. Click My Questions to ask your own questions.

2. View Employers and Job Reviews
Search or click on an employer from the list. Once you click on an employer, you can see reviews and interviews for that employer.

3. Send a Message.
   - Click on an employer you are interested in.
   - Scroll down to bottom of their page to see ‘Students Who've Worked Here’.
   - You can ‘Message’ these students or alumni.
Follow Employers you are interested in!

1. Search for Employers you are interested in.
2. Select the ‘Follow’ button on upper right corner.
3. You will be alerted when the Employers you follow post online events.
