

# GRADUATING STUDENT SURVEY

**IMPORTANT: Official BYUH Graduating Student Survey (Please DO NOT delete!)**

***IMPORTANT NOTE: It's possible that you were already on a previous graduation list and may have received this email and completed the survey before. If so, please email me the details and I will confirm this for you. If you have any problems reading this message, please view it in "HTML" format (NOT "text"). Thanks! Paul***

## **Aloha! Congratulations on your accomplishments at BYU-Hawaii.**

As part of your graduation requirements, you will need to complete the **Graduating Student Survey (GSS)**. You can complete this survey online from any computer that has access to the internet. **If possible, please complete this survey prior to leaving BYU-Hawaii** in order to expedite receiving your diploma and/or transcripts.

The responses you provide in Part 1 of the survey will be reviewed thoroughly by key academic, administrative and student leaders on campus. This information will be **used to help improve educational experiences for future BYU-Hawaii students**. Your time and thoughtful comments are greatly appreciated.

There are **TWO PARTS** to this survey:

1. An anonymous evaluation of your BYUH experience.
2. A brief identification section to certify you have completed this survey and update your contact information.

These two parts are completely separate and confidential. Your answers to the survey questions are not in any way linked to your name or other personal information that you provide in Part 2. **You must be sure to complete Part 2 of the survey in order to receive your diploma and transcripts.**

The survey should take you about 30-45 minutes to complete, depending upon the number of thoughtful comments you provide. Here is the information that you need to take the survey:

### **Survey Link:**
